

FARM FOR SALE

I have a good farm of 100 acres for sale, 60 acres of which is tillable; about 20 acres in bottom, 40 acres hill land, about 20 acres in grass and the balance in timber. This farm is located two miles north of Pleasant Shade, Tenn., on the Carthage and Lafayette road. It has a good 8-room residence, good well in the yard, spring close, and the creek runs through the place. Has a good feed barn and tobacco barn, tenant house and all other necessary outhouses. A rural route passes the door. For further particulars call or write. Home phone, Union Camp exchange.

Health About Gone

Many thousands of women suffering from womanly trouble, have been benefited by the use of Cardui, the woman's tonic, according to letters we receive, similar to this one from Mrs. Z. V. Spell, of Hayne, N. C.: "I could not stand on my feet, and just suffered terribly," she says. "As my suffering was so great, and he had tried other remedies, Dr. — had us get Cardui. I began improving, and it cured me. I know, and my doctor knows, what Cardui did for me, for my nerves and health were about gone."

TAKE CARDUI

The Woman's Tonic

She writes further: "I am in splendid health... I can do my work. I feel I owe it to Cardui, for I was in dreadful condition. If you are nervous, run-down and weak, or suffer from headache, backache, etc., every month, try Cardui. Thousands of women praise this medicine for the good it has done them, and many physicians who have used Cardui successfully with their women patients, for years, endorse this medicine. Think what it means to be in splendid health, like Mrs. Spell. Give Cardui a trial.

WHAT IS SPRING FEVER?

Be Fair With Yourself. "Spring Fever" Is Not Just Mental Contrariness

LOOK TO YOUR BLOOD
Take Pepto-Mangan, That Famous Blood Tonic. Sold in Both Liquid and Tablet Form

Feel fit this spring. Feel as fine as the weather. Don't drowse and lose over your work, lose valuable time, or blame yourself for a condition that with many people is as inevitable as Spring itself.

Remember how in the old days they took sulphur and molasses? That was to clear up the blood. For in the spring the blood is likely to be weak, sluggish and clogged with poisons. It needs help.

Why be handicapped unnecessarily? Why not be vigorous and red-blooded, full of "pep" and enthusiasm?

Pepto-Mangan is a blood tonic—a blood builder and purifier—that has become a standard in the past thirty years. Prescribed by physicians when people are run down and anemic.

Give the children Pepto-Mangan. They, perhaps, need it the most. To safeguard their health, and because spring days are important ones in the school year. "Spring Fever," remember, is real, not fancied, and is usually due to sluggish, impure blood.

Your druggist has Pepto-Mangan in both liquid and tablet form, just as preferred. Equally effective. Make sure you get genuine Pepto-Mangan. Ask for "Gude's" and look for the full name, "Gude's Pepto-Mangan," on the package.

BIG PROFIT IN MILK AND BUTTER

Small Investment Brings Big Return. Mr. Weaver's Plan is Simple.

"I bought a package of Dr. LeGear's Stock Powders from my local dealer and after feeding it to my Jersey Cow, she increased from 6 quarts to 12 quarts of milk per day, and after continuing the Powders for 30 days longer, she increased in butter fat from 5 pounds to 10 pounds per week, and at the end of 5 months, she was making 12 pounds of butter fat per week."

L. B. Weaver, Grand Rapids, Mich.

Mr. Weaver followed the advice of Dr. LeGear, Graduate Veterinary Surgeon of 27 years experience, and is money ahead. Here is the Doctor's offer to you: Get a package of Dr. LeGear's Stock Powders from your dealer, feed it to your horses, milk cows, sheep, hogs and sheep as per directions and after a thorough trial, if results are not satisfactory, just return the empty carton to your dealer and your money will be cheerfully refunded.—Dr. L. ENJOYS HIS 3 MEALS A DAY

Mr. Wooten Thinks Much of ZIRON Because It Made Him His Old Self Again.

Sick people do not get much out of life. In order to enjoy your meals, to do your work well, you must be strong and healthy.

Pale, weak, nervous people frequently need iron to enrich their blood and to restore vitality to their system, and a good way to supply the iron is to follow the example of Mr. Clayton Wooten, of Scotland, Ga., who used Ziron Iron Tonic and has this to say about it:

"I have taken Ziron according to directions and I can truthfully say that it is a tonic. It has done me all the good. Since I began taking it, I have gained eight pounds in weight and enjoy eating three meals a day. I shall do all I can to recommend Ziron."

Try Ziron! Your druggist sells Ziron on a guarantee to refund your money if the first bottle fails to benefit. You cannot lose anything, but very likely will gain much, by getting a bottle of Ziron, today!
